**FEEDING DIRECTIONS**

Feed requirements depend on the size, breed and stage of growth, use or production.

Type of Rabbit	Daily Feed Requirements
Bucks	3 to 5 oz
Resting Does	4 to 6 oz
Growing Rabbits	2 to 4 oz

Feed to growing rabbits. For young rabbits we suggest self feeding or most economical gains. Provide clean fresh water at all times.

REMINDER: Feed is perishable. Store this product in a cool, dry area away from insects.
