

BB RACING PIGEON GRAINS

CLEANED, SCREENED MIXTURE- Elimination of dust and powder prevents product loss and excess consumption of water by birds

HIGH OIL CONTENT- Extra calories from fat and oils in the safflower helps birds gain body condition and act as an energy reserve for racing

BALANCED CARBOHYDRATES- Energy sources from corn, buckwheat, millet and milo provide the fuel to maintain body condition and the high starch levels this carbohydrate mix contribute to enhance flight performance

CANADIAN PEAS- Boost crude protein levels for optimum amino acid balances necessary for flight performance. Improves overall digestive efficiency and absorption in the small intestine

WHOLE GRAIN PRODUCT- Maximum consumption of feed to furnish birds with the total nutritional levels needed for victory

PURPOSE STATEMENT: Complete Feed Formula For Performance Pigeons.
