

BB TRACKTIME

HIGH OAT CONTENT- Provides a safe grain mix that can be fed in large quantities to high performance horses to maintain body condition

PROBIOTICS- Lactobacillus acidophilus, lactobacillus caseii, bifidobacterium thermophilum and enterococcus facieum help improve the absorption in the intestinal lining improving overall health

YEAST (SACCHAROMYCES CEREVISIAE)- Builds bacteria levels in the caecum boosting fiber digestion reducing risk of colic

HIGH MOLASSES LEVELS- Horses will eat more because it is extra sweet. Cane molasses contains added oils and mold inhibitors

MINIMAL PELLETS- High oat content in formula reduces the need for pellets. Horses do less sorting thereby reducing the risk of actual imbalances because of ingredient refusal

VITAMINS- High in vitamins A, B, C, D and E for good health.

FEED TYPE- COMPLETE GRAIN

FEED FORM- TEXTURIZED

PURPOSE STATEMENT- A Premium Formulation For Racing Or Showing Horses Needing The High Levels Of Performance And Endurance Required To Be Superior In Their Class. Yeast, Enzymes and Natural Bacteria Are Added To Maximize Performance.
