

WINNING EDGE

1405P

PELLET FORM- Pellets flow easily, with less handling problems. No separation of ingredients. Product uniformity prevents inconsistency.

FERMENTABLE FIBER- High levels of fermentable fiber help maintain digestion and absorption of nutrients without sacrificing energy density

ADDED FAT- Provides a concentrated source of calories to help maintain body condition, improve stamina, enhance and improve hair coat shine

MINERAL LEVELS- Proper balance of macro and micro minerals for growth, lactation and reproduction

VITAMINS- High A, D and E levels plus B Vitamins- Essential for metabolism and peak performance. Vitamin E level is 100 IU/Lb. Key nutrients for body tissue repair

ZINPRO 4PLEX EQ- A balanced combination for equines of zinc methionine, manganese methionine, copper lysine and cobalt glucoheptonate that can improve hoof condition, skeletal structure, joint formation and repair, immune response, skin and coat condition and reproduction

PROSPONSE YEAST- (*Saccharomyces Cerevisiae*) – Helps with increased palatability and digestion especially under stressful conditions

FEED TYPE- COMPLETE GRAIN

FEED FORM- PELLET

PURPOSE STATEMENT- A Pelleted Grain Mix For Growth, Performance and Breeding Phases Of Equine Production.

INGREDIENTS

Processed Grain By-Products, Grain Products, Plant Protein Products, Roughage Products, Forage Products, Molasses Products, Vegetable Oil Refinery Lipid, Vegetable Oil, Vitamin A Supplement, Vitamin B12 Supplement, Vitamin D3 Supplement, Vitamin E Supplement, Menadione Sodium Bisulfate Complex, Pyridoxine Hydrochloride, D-Calcium Pantothenate, Niacin Supplement, Riboflavin Supplement, Biotin, Thiamine Mononitrate, Folic Acid, Choline Chloride, Calcium Carbonate, Salt, Zinc Methionine Complex, Cobalt Glucoheptonate, Copper Sulfate, Zinc Oxide, Artificial Flavor and Sodium Selenite

FEEDING DIRECTIONS

WE 1405P is a high energy pelleted grain mix formulated with high levels of vitamins and minerals for balanced equine nutrition in all phases of horse production. Feeding rates for WE 1405P will vary based on lifestyle and workload. Consult with a Buckley Bros. representative for exact feeding directions. Feeding rates will vary from 0.5% to 0.8% of body weight daily (a 1,000 Lb horse may receive from 5 to 8 Lbs. of 1405P daily). Also, feed a good quality mixed hay at a rate of 1.5% to 2.5% of the body weight. Fresh clean water always should be available. **WARNING:** This feed contains copper. Do not feed to sheep or other copper sensitive species.
